**Internship Completion Certificate for Mr. Sarosij Bose**

To whomever this may concern:

This is to certify that Mr. Sarosij Bose, who is pursuing a BTech in Computer Science at University of Calcutta, worked as a summer intern in my group at IISc Bangalore from 1<sup>st</sup> June to 2<sup>nd</sup> August 2021. His project was on “Lipschitz regularization of neural networks” and he completed the assigned tasks (e.g. reading technical papers, coding in python, experimentations with new ideas, etc.) to my satisfaction.
