**Sub: Certifying Mr. Sarosij Bose on successful completion of a research internship at the Indian Institute of Science, Bangalore**

I am happy to certify that Mr. Sarosij Bose has successfully completed his winter internship under my supervision at the Visual Computing Lab in Dept. of Computational and Data Sciences, IISc. He has spent about 4 months in our lab (October 28<sup>th</sup>, 2021 – March 7<sup>th</sup>, 2022) pursuing research in multiple machine learning and computer vision problems (viz. person re-identification, test-time adversarial defence). I have found Mr. Bose to be a sincere student, and his performance during this internship was satisfactory.

Please feel free to contact me in case any further information is needed.

Sincerely,

A handwritten signature in blue ink that reads "Anirban Chakraborty".
